iPad TAKES FLIGHT

MYGOFLIGHT

iPad Fundamentals for Aviation

Proficient use of the iPad in the cockpit starts with the fundamentals. This class introduces pilots to the basics of iPad use with an emphasis on aviation. iPad users of all skill levels will walk away with something from this class! It is also a pre-requisite for our popular ForeFlight classes.

Saturday, February 6, 2016
9:00am – 12:00pm

Tuition $29
